HOW TO REACH US BY METRO

MM2 Green line At Loreto Metro station, walk into the direction of Viale Abruzzi. Once you have passed the ticket barrier, walk straight on – past the newsstand – and take the last exit on the right (Viale Abruzzi—Viale Gran Sasso).

MM1 Red line If you arrive from the city centre at Loreto Metro station, follow the signs that say Viale Abruzzi, then take the first corridor on the left and walk straight towards the ticket barrier onto the last exit on your right (Viale Abruzzi—Viale Gran Sasso).

Walk for around 150m along Viale Abruzzi until you reach the traffic light at the intersection with Via Paisiello. The Ventura Future stickers on the walking path will bring you to the locations.

Ventura Centrale is only 2 metro stops away from Ventura Future: just take the **MM2 Green Line** from Loreto to Centrale metro station.

A shuttle bus service will connect Ventura Future and Ventura Centrale every 20 minutes as well.
